Reports

- President's Report
 - AAHA voted on proposal from Adam Mims to opt out of using AHOA for scorekeepers for Adult games only. This vote did pass on the condition that the scorekeepers must be employees of the rink. Chris asked for a report to score how many match penalties have been called over the past year to identify any trends. The state does not see any trends or have any concerns at this time. AAHA asked about recruiting and looking for higher level officials.
- Scheduler's Report
 - ACHA will be scheduled by AHOA for the 2015-16 season and this includes NAU.
 - During the USA Hockey seminars we will show the users Arbiter and provide more information on how to get setup.
 - We will look to categorize officials moving forward to assign only games
- Operation's Report
 - Robb Harrell will not be able to fulfill the role of TEAM Director for the next few months due to his personal work schedule. We will look to get more senior officials involved in training and development.
 - Need to reach out to the Midget level programs to setup Q&A sessions for higher level players that might be interested in officiating.
 - Training Report
- Administration's Report
 - Zero disciplinary actions over the past month. No late shows or no shows reported.
- Treasurer's Report
 - Waiting on invoices from Jim Rogers and Adam Mims for May. Once those are received we will process payroll for May.
 - During the retreat we will look to standardize the pay rates for the schedulers.
